

Canadian Phycological Culture Centre (CPCC) web order form

Please read our [terms and conditions](#). Placing an order indicates your understanding and acceptance of the Material Transfer Agreement. If you are ordering a toxic strain, please submit a [toxic strain release form](#).

Pricing, shipping information, and payment options are provided on our website under [ordering information and fees](#). Please also review the [culturing information](#) section of our website prior to placing your order.

The following Web Order Form can be used to place your order for culture volumes of up to 100 mL, media volumes of up to 6L, and concentrate volumes (enough to prepare up to 100L of medium). If you are interested in ordering larger volumes, please contact the Curator directly via email.

Thank you for your order. We will follow-up with your order via email as soon as possible. We look forward to serving you.

Information and privacy: questions regarding the collection of information on this form can be directed to the [form administrator](#).

Institution type: *(required)

International government
